Minimum Charges

Deposition or Trial cancelled with less than 2 days notice\$200.00

Court or at Location8 hours

Overnight 10 hours

Preparation time and travel time charged at applicable rates.

Corporate Aircraft Rates (Depending on type of aircraft) \$0.95 - 2.60/mi.

Expenses: In addition to the rate charges as outlined above, expenses will be charged at a rate of 1.15 times our cost to include a .60 mile charge for auto travel. Expenses may include, as necessary, use of special equipment and subcontract work. Expenses for meals and incidental out-of-pocket expenses (M & IE) will be charted at Internal Revenue Service allowable rates (Publication 463), which is currently \$45.00 per day with no receipt required. The client will be notified of unusual expense items.

Storage: Evidence (damaged or destroyed items) brought to SEAL to be inspected will be subject to storage fees if there is a need to retain these items for litigation and to maintain chain of custody. Evidence brought to SEAL as a result of an insurance claim will not incur storage charges until litigation or six months after date of acceptance. Evidence requiring special handling, occupying more than eight square feet, or vehicles will be subject to storage fees regardless of origin. For information on procedure, billing or fees please refer to SEAL's Evidence Storage.

General Terms and Conditions:

SEAL's Terms and Conditions shall apply (see reverse side of this form).
